

Seven Ponderful Considerations for Women

1. YOUR DECISIONS MATTER

Choose thoughtfully.
Choose prayerfully.

2. EMBRACE MOTHERHOOD

An under-rated, under-paid, and
an under-considered career choice.

3. QUALITY TIME IS ALL THE TIME

Every second counts.

4. PEACE AND STABILITY... PRICELESS

Money, prestige, and power
come at a heavy price.

5. UNPLUG

Television, computers, and
electronic devices can make
dangerous bed fellows and
baby sitters.

6. LIVE SIMPLY...SIMPLY LIVE

De-clutter and live with less.

7. LIVE A LIFE PLEASING TO GOD

Discover the joy of doing His will.
